Since 1896...

The King's Daughters is the founding organization of Children's Hospital of The King's Daughters (CHKD). We have more than 115 years of fascinating history caring for children beginning with hiring a bicycle nurse, to opening a clinic, to building a modern stand-alone pediatric hospital. We have been making a difference in the lives of children in Hampton Roads since 1896.

The King's Daughters' membership is organized into circles (Adult and Junior) that are located throughout Hampton Roads. Each Circle elects its own leaders, organizes its own events, contributes hand-sewn items and donates time and money to CHKD. Members also chair and serve on The King's Daughters' major fundraising projects throughout the year. A Board of Directors which governs the organization is elected annually by the membership and is supported by a dedicated staff.

Children's Hospital of The King's Daughters Health System (CHS) is dedicated exclusively to meeting the unique medical and surgical needs of children, both inpatient and outpatient, throughout Virginia and northeastern North Carolina. Facilities include the Children's Hospital of The King's Daughters as well as a comprehensive network of pediatric providers who work in locations throughout our community.

The King's Daughters Year in Review

It has been a great privilege to represent you as President of The King's Daughters'. Thank you for the honor. I am excited about the new Board of Directors and know that you will be in good hands.

We have had a successful year, thanks to your dedication! I am thrilled that we will be establishing The King's Daughters' Donor Milk Bank here on our main campus. This medically significant program will ensure that fragile NICU patients, who need this nourishing breast milk, will receive this "Liquid Gold." Think how far we have come

since the days when The King's Daughters delivered milk to families in need. How appropriate for this to come full circle as we again answer the call to provide progressive healthcare for the children of our community.

Community

The King's Daughters continue to focus their attention and energy on providing superior healthcare for the children of our community. We are so fortunate to have a membership that brims with creativity, passion, innovation and extreme dedication. Our volunteer activities are needed just as much today as they were more than 100 years ago. Our priority remains the same: CHILDREN

The King's Daughters' Office

The four-member team consisted of: Lisa Coleman, Executive Director, Jennifer Wilson, Development Assistant, Natalie Carducci, Membership Coordinator and Shelly Williford, Department Secretary. As the year drew to a close, Shelly found her calling working in the Neonatal Intensive Care Unit and Sheila Mabaquiao joined us as Administrative Assistant. These ladies worked tirelessly with all King's Daughters current and prospective members, CHKD employees and the community at large, to ensure the continuation of The

King's Daughters' legacy. The King's Daughters' staff were active members of The Downtown 100, Ghent Business Association, Hampton Roads Chamber of Commerce, Association of Fundraising Professionals, Retail Alliance, Volunteer Hampton Roads, Virginia Association of Health Auxiliaries, Hampton Roads Marketing Association, and Volunteers (VAHAV) and American Fund Raising Professionals.

CHKD

The King's Daughters completed our pledges of \$250,000 to the CHKD Virginia Beach Health and Surgery Center and our pledge of \$150,000 toward the purchase of an Aquatic Therapy Pool for CHKD's newest location, the Chesapeake Health Center at

Oakbrooke. A significant portion of our donation to the hospital this year was the first half of a two year pledge totaling \$500,000, to establish The King's Daughters' Donor Milk Bank at CHKD. The annual gift to CHKD totaled \$725,000 for FY 2012-2013. These funds were raised through Circle Projects, Major Projects, Canister Funds and other sources.

Thrift Stores

The King's Daughters continued to support CHKD Thrift Stores through individual donations. The Circle Donation Bag Drive in May generated a total of 3,663 bags full of donations. Each circle collects bags from its members, and totals are tallied. Lakewood Circle was the winner of this year's Bag Drive, 2nd place was Circle in the Bridge, 3rd place was Elizabeth River Circle and East Beach Circle received an honorable mention. Members of The King's Daughters' staff attended the Thrift Store Managers' annual breakfast to show appreciation for their continued promotion of the canisters as well as the incredible daily operations of our thrift stores. The CHKD Thrift Stores have grown from 1 store near the hospital to 26 located from Richmond to North Carolina.

Membership

The King's Daughters are now 1133 members strong with 49 Adult Circles and 6 Junior Circles. Sharing Circle retired after 46 years of service. We welcomed two new Junior Circles: Half Shell Circle and Spark of Light Circle (reactivated). Our 1010 Adult members and 123 Junior members devoted 43,681 hours in the hospital and in the community raising funds, friends and awareness for CHKD.

KD Connect Meetings

Our KD Connect meetings promoted communication among Circles, staff and CHKD. They were held in September, October, January, April, and two in June. Circles presented numerous checks from individual projects and speakers from within CHKD. As an organization we learned the hard way that a quorum is necessary to elect our officers at our joint annual meeting in June.

The 2012-2013 King's Daughters' Recognition Celebration was held on October 23 at the Norfolk Yacht & Country Club. We welcomed special guest speaker Katie Harbison, a King's Daughter, a mother and a patient.

Awards were presented to Circle members, followed by a memorial service for departed King's Daughters. Sherry Connell, McDonald Garden Centers and David Smith, Volunteer; both received The King's Daughters' Award of Excellence which is awarded each year to non-King's Daughters who show exemplary dedication to our organization.

Circle Accomplishments

Circle projects and revenues again reached an all time high. Over \$304,520 was donated by Circles this year. Donations included 22,068 pieces of linens, knitted items, sewn items, and gifts. Adult Leaders and Treasurers attended orientation and training sessions in Norfolk

and Virginia Beach in September. Circle members continued to arrange tours and meetings within the hospital, inspiring renewed interest, excitement and enthusiasm for CHKD.

Junior Circles

Junior Circles continued to excel. All Junior Circles attended training and orientation meetings in September to help them organize for the year ahead. They held a new fundraiser at Harbor Park during a Tides game "Pitch in for the Kids" was a fun way to raise funds and introduce The King's Daughters' Junior members to the community. All the Junior Circles working together raised \$3,825 for CHKD.

Corporate Advisory Board

The primary mission of the Corporate Advisory Board (CAB) is to provide insight and recommendations to The King's Daughters that will increase both attendance and revenue for all major fundraising projects, as well as encourage existing and potential corporate partnerships. The CAB assists The King's Daughters in educating the community about CHKD. Sunny Sonner continued as Chair of the Corporate Advisory Board in 2012-2013.

The 2012-2013 CAB members were: Jamie Albano, Albano Cleaners; Rick Allard, Watson Electric/Iguana Surf Club; Kim Williams, TowneBank; Bob Batcher, City of Norfolk; Neal Brodsky, LeClair Ryan; Scott Freeman, Dolphin Fixtures; Andrea Di Carlo, La Bella; Kevin Murphy, Downtown Norfolk Civic League; Lyn Reid; Paul Sharp, SYR Inc. Management Services; Eric Stevens, Bardo/Still/The Public House; Brian Sykes, Vandeventer Black; and Chris Neikirk, CHS Board Member and Tom Warburton, ValueOptions.

Major Projects

In 2012-2013 The King's Daughters hosted the 50th and final Holly Ball, the 30th and final Holly Festival of Trees. Through these milestone events The King's Daughters raised \$196,000 in support of CHKD's Cardiac Care Program and PICU.

The 9th Annual Tour de Cuisine raised \$27,000 and our banner spring event the 8th Annual RunWalk for the Kids raised \$120,000 in support of CHKD's Donor Milk Bank.

Other Fundraisers, Special Projects and Happenings

In addition to Circle activities and Major Projects, The King's Daughters supported the following special projects:

Caritas Circle, Circle of Friends, North Suffolk Circle, Circle of Rainbows and Lynnhaven Sandpipers Junior Circle, participated in the annual "Make a Scarecrow, Make a Difference" project hosted in conjunction with McDonald Garden Center, October 15-16. This event raised over \$22,480.00.

The King's Daughters teamed up once again with the Iguana Surf Club for their annual, "Almost a Surf Contest." Friends and families gathered for a fun day on the beach and were later presented with prizes for accomplishments including, "The Best Wipeout!" This event raised \$6,300.

Also a very special private dinner and wine tasting hosted by Zoe's restaurant and Dana Estates Winery involving King's Daughters, friends and neighbors was held in honor of King's Daughters' Board of Directors member Emily Franklin raising more than \$10,000.

Canisters

The King's Daughters, with the generous help of local merchants and our own CHKD Thrift Stores, raised an incredible \$255,043 from canister donations this year. Our canisters are easily identifiable throughout the community and are an essential form of income to The King's Daughters.

Advocacy Efforts

This year, once again our membership advocated for our hospital. Eight King's Daughters met personally with legislative officials in Richmond last February to remind them of importance of supporting bills that advocate better healthcare for the children of our community. The King's Daughters were asked to directly contact their legislators to garner support.

In Closing

Congratulations on another successful year. It has been a privilege to serve as president of this dynamic group. I am looking forward to remaining connected to The King's Daughters through my circle, Circle of Rainbows. Best wishes to the incoming Board of Directors and to all The King's Daughters as we embark on a new chapter in our history!

Circle Awards

Circle Awards

KD KUDOS

Honoring Three Enthusiastic and Talented Ladies of the North Suffolk Circle

by Rebecca Holberg

If I had an award to give, these three ladies would tie for number 1. The frantic rush originated on November 8, 2011, when Pam Hare and Nancy McCrickard made the motion that the North Suffolk Circle should create a cookbook and have it ready for printing by May 2012. Their energy and their excitement were felt throughout the entire membership; what an excellent idea to circulate our culinary talents while earning donations for the Children's Hospital.

Cooking with Friends of the North Suffolk Circle for

Kelly Buley soon joined the ranks; the 3-woman team had all of us jumping at their command. They researched many online cookbook publishers, and quickly found the most appropriate for their needs. I could imagine forks, spoons, and flour flying as they discussed, culled, cajoled, anticipated, and created the remarkable final product. My gratitude and pride is extended to our entire membership who submitted into the extraordinary volume no fewer than 400 tried-and-true family recipes from many parts of the world.

The hidden talents of Pam, Nancy, and Kelly came to fruition in August, 2011. Joan Mayo, our *fearless* leader and charter member of the Circle, was speechless during an impromptu meeting in which the cookbooks were distributed; she was moved and honored that Pam, Nancy, and Kelly dedicated the cookbook to her. In addition, the three ladies and other circle members created distinctive pages in which patients of CHKD were honored. Throughout the cookbook, (being sold for \$21 each) they strategically placed photographs from the various projects

of our 25-year-old Circle. The grand finale of the book contains pantry basics, helpful hints, two pages of counting calories (they could have left those out), and definitions. Martha Stewart would be envious of their informative, delightful cookbook complete with scrumptious recipes, both new and old – a must-have for the beginner or the experienced chef.

On a side note, this past December, the North Suffolk Circle represented The King's Daughters in style during the Suffolk Holiday Parade, when they dressed as toys in a toy chest. They won the blue ribbon for Best Motorized Vehicle.

KD KUDOS

Joann Klotz, Lakewood Circle

Joann Klotz has logged 31,000 hours for CHKD. That's not a typo, we're talking thirty-one THOUSAND hours since joining the Lakewood Circle in the early 1970s. In 1989, she attended a KD Circle Board (now KD Connect) meeting, and heard Mary Lille, the CHKD Volunteer Coordinator, mention that the hospital could use knit caps and booties for their tiniest patients: the premature infants. Joann thought, "I can do that" and started knitting. A consummate sports fan, she knits for the babies at CHKD as she watches college football, basketball and baseball (She's a proud Penn State fan), professional football and even tennis. Those 31,000 hours have yielded 3,975 sets of caps and booties over the years.

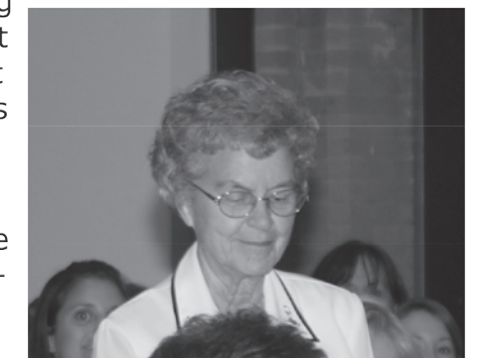

This 85-year-old 'energizer bunny' has been an active member of the Lakewood Circle, Norfolk, for 40 years. She served two terms as leader and at least a dozen as treasurer. She hosts the circle in her home and regularly attends circle meetings, where she joins in stuffing and sewing surgery bears.

But Joann does more than support CHKD, watch TV, and knit. She is an avid fan of zoos. She is a docent at the Virginia Zoo where, for over 14 years, she has given walk-about in exhibits and has gone to schools with animals to educate children. She is an Animal Ambassador at special events. She cannot get enough of zoos. Although she has visited over twenty, from San Diego to the Bronx, from New Orleans to Chicago, and has the pins to prove it, she would like to visit more.

She also does more than *watch* sports. She was an avid bowler until she broke her arm at the lanes two years ago. She was the Senior Olympics Ping Pong Champion in 2003, and she loves bridge. A numismatist (coin collector), she has won thirteen Best in Show plaques at the local and state level and won 1st, 2nd and 3rd place plaques from MANA, the thirteen-state Middle Atlantic Numismatist Association.

Joann is also an active member at First Lutheran Church. She served on the Church Council for six years, she was the financial secretary for two years, was librarian for ten years, was on the visiting committee, headed the memorial committee and volunteered at the reception desk.

Joann is from Pennsylvania. She has an older sister and younger brother. She went to Wilson College, then graduated from Penn State University where she majored in Spanish and French and joined Alpha Gamma Delta sorority. After graduation, she took a job with DuPont in Wilmington, Delaware, and met her husband, Jere, an ophthalmologist. They moved to Norfolk in 1955, where he practiced until his retirement in 1987. They have two children and three grandchildren. Although Jere died in 1999, she still lives in the home they bought in 1963, and where there was always a dog or two when the children were growing up. Today, Panda, a mixed Pekinese, is her constant companion – sitting with her on the couch while she knits for the babies at CHKD and follows her favorite teams.

KD Kudos to Joann for all you do!

We remember them...

In the rising of the sun and in its going down,
In the blowing of the wind and in the chill of winter,
We Remember Them.

In the opening of buds and in the rebirth of spring,
In the blueness of the sky and in the warmth of summer,
We Remember Them.

In the rustling of leaves and in the beauty of autumn,
In the beginning of the year and when it ends,
We Remember Them.

When we are weary and in need of strength,
When we are lost and sick at heart,
We Remember Them.

When we have joys we yearn to share,
We Remember Them.

So long as we live, they too shall live,
for they are now a part of us as,
We Remember Them.
