The King's Daughters is the founding organization of Children's Hospital of The King's Daughters (CHKD). We have 120 years of fascinating history of caring for children starting with a hired bicycle nurse, to opening a clinic, to building a modern stand-alone pediatric hospital. We have been making a difference in the lives of children in Hampton Roads since 1896. The King's Daughters' membership is organized into circles (Adult and Junior) that are located throughout Hampton Roads. Each Circle elects its own leaders, organizes its own events, contributes hand-sewn items and donates time and money to CHKD. Members also chair and serve on The King's Daughters major fundraising projects throughout the year. A Board of Directors which governs the organization is elected annually by the membership and is supported by a dedicated staff.
