MISSION STATEMENT

The King's Daughters' mission is to provide support to Children's Hospital of The King's Daughters through fundraising, volunteerism, leadership and advocacy for the children of southeastern Virginia and northeastern North Carolina.

VISION STATEMENT

The King's Daughters' vision is to support the Children's Hospital of The King's Daughters by providing volunteers, funds and advocacy to ensure that all the children in our community are treated and cared for by the best medical professionals and state of the art equipment. We will continuously work to increase our membership, funds donated and the community's awareness of the hospital and all its needs.

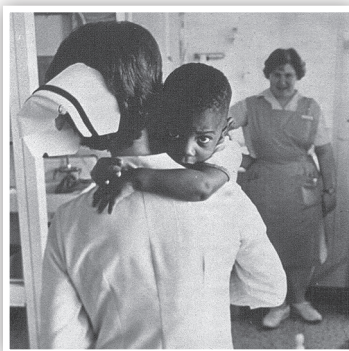

HISTORY

The King's Daughters has been devoted to the health and wellbeing of our region's children since 1896, when our organization was established in Norfolk. One of our founders' first efforts was to hire a nurse, the beloved Miss Edith Nason, who pedaled her bicycle over cobblestoned streets in her long skirts and straw hat. Dozens of dedicated nurses joined her over the years, in response to the region's growing need for medical care.

Between the turn of the century and the late 1950s, The King's Daughters opened and outgrew several clinic spaces in downtown Norfolk, finally determining that the region's children deserved their own hospital. Undaunted by large cost estimates, they raised the necessary funds to open Children's Hospital of The King's Daughters in its present location in 1961.

Today, the facility is a state-of-the-art teaching hospital with 206 beds that still holds true to the mission of its founders. CHKD cares for every child who needs its services regardless of any family's ability to pay. CHKD still relies on The King's Daughters for funds to offset the cost of caring for the region's neediest children. The King's Daughters also serve in leadership positions on CHKD's Boards and volunteer in countless ways in the hospital and its community health centers. Through a network of more than 1,000 members, they raise funds, friends and awareness for CHKD in every corner of our region, serving as powerful advocates for our community's most precious resource.

LOOKING FORWARD ...

For over 120 years, The King's Daughters have been a driving force in providing resources to address the health care needs of our community's children. When we learned that today more children die from suicide than cancer, cardiovascular disease, birth defects, pneumonia, flu and chronic lung disease combined, we knew we must take action.

In June 2017, we pledged to raise \$1 million in support of CHKD's Behavioral Health program to help CHKD combat this pediatric mental health crisis in our community.
