## MISSION STATEMENT

The King's Daughters' mission is to provide support to Children's Hospital of The King's Daughters through fundraising, volunteerism, leadership and advocacy for the children of southeastern Virginia and northeastern North Carolina.

## VISION STATEMENT

The King's Daughters' vision is to support the Children's Hospital of The King's Daughters by providing volunteers, funds and advocacy to ensure that all the children in our community are treated and cared for by the best medical professionals and state-of-the-art equipment. We will continuously work to increase our membership, funds donated and the community's awareness of the hospital and all its needs.

# HISTORY

The King's Daughters has been devoted to the health and wellbeing of our region's children since 1896, when our organization was established in Norfolk. One of our founders' first efforts was to hire a nurse, the beloved Miss Edith Nason, who pedaled her bicycle over cobblestoned streets in her long skirts and straw hat. Dozens of dedicated nurses joined her over the years, in response to the region's growing need for medical care.

Between the turn of the century and the late 1950s, The King's Daughters opened and outgrew several clinic spaces in downtown Norfolk, finally determining that the region's children deserved their own hospital. Undaunted by large cost estimates, they raised the necessary funds to open Children's Hospital of The King's Daughters in its present location in 1961.

Today, the facility is a state-of-the-art teaching hospital with 206 beds that still holds true to the mission of its founders. CHKD cares for every child who needs its services regardless of any family's ability to pay. CHKD still relies on The King's Daughters for funds to offset the cost of caring for the region's neediest children. The King's Daughters also serve in leadership positions on CHKD's Boards and volunteer in countless ways in the hospital and its community health centers. Through a network of almost 50 circles, they raise funds, friends and awareness for CHKD in every corner of our region, serving as powerful advocates for our community's most precious resource.

# The King's Daughters

## YEAR IN REVIEW

This year, The King's Daughters celebrated 121 years of providing health care services for children. What started with a group of 5 women and a nurse on a bike in 1896 has grown from this very humble beginning to opening Children's Hospital of The King's Daughters, the first free standing hospital for children in Virginia – a distinction we still have today. The King's Daughters raised the funds to open this hospital in April 1961; raised more funds to build a new hospital in 1979 and today are the proud founders not only of CHKD but also of The Children's Health System which oversees the operation of CHKD, our outpatient centers, urgent care centers and pediatric physician offices.

As champions of promoting “superior pediatric wellness”, in June 2017, The King's Daughters recognizing the huge need for mental health services for children, pledged \$1 million dollars to support the expansion of CHKD's Mental Health Program. Our commitment to this effort was a deciding factor in the CHKD Health System making pediatric mental health a top priority.

## COMMUNITY

The King's Daughters continue to focus their attention and energy on supporting CHKD in their efforts to provide superior health care for children in our community. Through countless volunteer hours in excess of 49,000 and extreme dedication, we are fortunate to have a diverse membership that is full of creativity, passion and innovation. Our volunteer efforts are as important today as they were over 120 years ago.

# ADVOCACY

This past year, our membership advocated for the approval of a Certificate of Public need for the addition of 60 pediatric mental health beds at CHKD. The strong grassroots efforts by The King's Daughters, CHKD employees, physicians and the community at large played a major role in the Commissioner of Health giving approval for these beds.

# MEMBERSHIP

We are 1,075 members strong in 49 Adult Circles and 8 Junior Circles. This past year, we welcomed 2 new Junior Circles: Circle of the Oaks Jr. Circle and Magnolia Jr. Circle.

Funds raised from this event totaled \$85,431.83.

## THE KING'S DAUGHTERS BOARD & STAFF

Our 16 member King's Daughters Board worked diligently to provide oversight and guidance. Each member brought great insight and skills to making decisions and helping us to become a more efficient organization.

The four-member staff: Lisa Coleman, Executive Director, Jen Kay, Development Operations Manager, Holly Ackiss, Volunteer and Event Coordinator and Briana Jackson, Administrative Assistant work tirelessly with all The King's Daughters, CHKD employees and the community at large to ensure the continuation of The King's Daughters Legacy and that all organizational goals and expectations are met.

## THE KING'S DAUGHTERS MILK BANK

Four years ago, The King's Daughters provided \$500,000 to start a Milk Bank to ensure that babies in our NICU have access to this life saving "liquid gold". Last year, The King's Daughters Milk Bank received 329,617 ounces from 349 donors and the number of ounces donated surpassed the 1 millionth mark. Our Milk Bank is the only one associated with a children's hospital and receives an estimated 6,000 ounces of milk per week. Since its inception over \$800,000 dollars of milk have been provided to babies in the CHKD NICU and 37 hospitals outside of our area have received milk from our bank, providing \$1.8 million in processing fees. The KD Milk Bank will be moving to the Medical Tower Annex later this year providing easier access and more space.

# OTHER NOTABLE MOMENTS

The King's Daughters was selected as the 2018 Health Care Heroes Community Service Group by Inside Business.

In an effort to inform CHKD employees about The King's Daughters, an overview of our history and our current efforts were presented to the Medical Staff, CHKD Senior leadership, CHKD Directors and to the CHKD Development and Marketing Departments.

In June 2017, The King's Daughters completed our \$625,000 pledge for the new intensive care transport. This state of the art vehicle will be delivered this Fall.

# ANNUAL CONTRIBUTIONS

This past year, through great enthusiasm and commitment, The King's Daughters were able to donate \$700,000 to CHKD. \$500,000 was directed as payment on our \$1 million dollar pledge to the CHKD Mental Health Program and \$50,000 was donated to The King's Daughters Milk Bank.

# IN CLOSING...

Raising funds, friends and awareness for Children's Hospital of The King's Daughters has taken on a new meaning this past year. Our commitment to raising funds for the pediatric mental health program has reinvigorated us who have been part of this organization for many years and gave greater purpose to those members that have recently joined. The success of The King's Daughters is an example to our Hampton Roads Community in volunteer hours, advocacy, fundraising and development of future leaders.

Each King's Daughter is an important part of our organization and each of you should take great satisfaction that your dedication and passion truly is making a difference in the lives of children in our community.

With great admiration and respect,

Elly Bradshaw Smith

The King's Daughters President, 2016-2018
