Raising Funds, Friends, and Awareness for CHKD

## President's Message

After working with The King's Daughters membership and staff for three remarkable years as President, I write to you all today to reflect on the incredible journey we have taken together and thank you for providing me the privilege to serve.

These past few years have been nothing short of extraordinary. Raising funds, friends, and awareness for Children's Hospital of The King's Daughters has truly been one of the biggest honors of my life. Our impact on the lives of countless children and their families is a testament to your unwavering commitment.

To that point, I must express my deepest gratitude for your tireless efforts, boundless enthusiasm, and steadfast belief in our cause. From organizing successful fundraising events and producing items for patients that enhance their CHKD experience, to volunteering countless hours of time and making new friends, together we have achieved so much. You have also played a crucial role in The King's Daughters' fundraising efforts for CHKD's important new mental health hospital, Children's Pavilion. Rest assured, you have brought smiles and hope to the faces of so many patients and their families at CHKD through your devoted volunteerism.

As I step down from my role as President, I am proud of what we have accomplished and feel confident in the organization's continued success. Our shared vision to make a positive impact on the lives of children will remain a guiding force for The King's Daughters and I have no doubt that the future holds even greater opportunities for service.

While I may be retiring from my formal role, my commitment to the cause and my Circle remains as strong as ever. I will continue to support The King's Daughters' members and staff in any way I can and look forward to witnessing the continued growth and success of this organization.

Thank you, from the bottom of my heart, for your support and friendship over the past three years. I am deeply grateful for the opportunity to have served alongside such strong individuals and I am excited to see the next chapter unfold for The King's Daughters. The future is brighter than ever.

With heartfelt thanks and warm regards,

# Year in Review

## Friends and Supporters

As we reflect on the past year, we are overwhelmed with gratitude for the incredible progress we've made together in our mission to support Children's Hospital of The King's Daughters (CHKD). With the theme "We Are Stronger Together" at the forefront of our efforts, we have achieved remarkable milestones that have brought us closer to our goal and strengthened our commitment to improving children's lives.

**A Significant Milestone:**  
Our pledge of \$2 million to CHKD's New Mental Health Hospital — Children's Pavilion is close to the finish line!

We are thrilled to report that we are very close to completing our second pledge in the amount of \$2 million to CHKD's new mental health hospital, the Children's Pavilion.

Our President, Stacey Vellines, presented a gift of \$620,022 to Amy Sampson, President, and CEO of CHKD. This donation is a testament to the dedication and generosity of our King's Daughters' members, and it will make a lasting impact on the mental health care provided to children in our community.

**Circles' Tireless Efforts:**  
\$356,634 Raised Through 60 Circle Projects  
— We finished the year with 650 members,  
34 adult Circles and 7 Junior Circles

Our dedicated Circles, the heart of our organization, played a vital role in our fundraising efforts. Through their unwavering commitment and tireless work on 60 circle projects, we collectively raised an impressive total of \$356,634 throughout the year. This outstanding achievement underscores the power of collaboration and community spirit – We are Stronger Together! Our major projects have continued to shine brightly in their pursuit of making a difference. In 2022-2023, these projects came together to raise an impressive \$314,153 through five memorable events. These events not only brought joy to our community but also provided crucial support to CHKD's vital programs and services.

**Major Projects Making a Difference:**  
\$314,153 Raised Through Five Events

Together, these achievements demonstrate that when we come together with a shared purpose and unwavering dedication, we can accomplish extraordinary things. Our journey is far from over, and we are excited about the possibilities the future holds as we continue our mission to bring healing and hope to the children of CHKD.

We extend our heartfelt thanks to each and every one of you who contributed to our success in 2022-2023. Your support, whether through donations, volunteer work, or spreading awareness, has made all the difference. As we move forward, let us remember that "We Are Stronger Together," and together, we will create a brighter future for the children we serve.

## Hello & Goodbye!

Hello & Goodbye! At the KD Connect Meeting June 6, 2023, The King's Daughters' membership gathered at the new CHKD Mental Health Hospital, Children's Pavilion to welcome Nicole Legum as incoming President and Margaret Kelly and Amy Moynihan as new members to the Board of Directors. We bid farewell and gave thanks to Stacey Vellines for her unwavering service, as outgoing President.

The King's Daughters were thrilled to see this world class facility, Children's Pavilion open and were proud to see The King's Daughters' donor wall where every Circle is honored.

**The King's Daughters played a vital role in the CHKD Health System making pediatric mental health a top priority.**

Children's Pavilion opened in October, 2022 and is the center of a comprehensive mental health program offering prevention and day programs, acute inpatient and partial hospitalization, follow-up care, and research. Every detail of Children's Pavilion has been designed to respect the needs, privacy, and dignity of our patients as they undertake very important therapeutic work.

Children's Pavilion features art that elevates the human spirit; from the artistry of the 14-story, 60-bed architecture that showcases stunning views and light-filled spaces for children, to the exquisite artworks created especially for the facility, Children's Pavilion is designed to bring comfort, inspiration, and healing to all who enter its doors.

# The King's Daughters Milk Bank

Nine years ago, The King's Daughters brought their mission full circle to their earliest 1915 Milk and Ice Fund endeavors by providing \$500,000 to start a Human Milk Bank for premature and critically ill infants.

Last year, The King's Daughters Milk Bank received over 550,000 ounces of donated human milk from over 400 milk donors bringing the nine-year total to over 3.5 million ounces donated.

The Milk Bank's impact reaches far with just one ounce of pasteurized donor human milk treating as many as four medically fragile infants in over 54 departments within 35 hospitals stretching from NJ to FL. In 2022, The King's Daughters Milk Bank and their team of altruistic, volunteer milk donors rose to the challenge and nourished and protected our nation's most fragile infants during the devastating formula recalls and shortages.

The Milk Bank met and even exceeded the unprecedented demand for pasteurized donor human milk during this National Infant Feeding Crisis. Yet again, The King's Daughters Milk Bank ended 2022 with record breaking donor approval and distribution volumes.

Today, nonprofit milk banks like The King's Daughters Milk Bank continue to flourish despite the global pandemic, the infant feeding crisis, and mounting pressure from for-profit milk banks. The King's Daughters Milk Bank is looking forward to distributing even more life-saving human milk treatments to CHKD and our nation's highest-risk infants in fiscal year 2023. Thanks to The King's Daughters for their ongoing support of our unique service line.
