# MESSAGE FROM THE CO-CHAIRS

---

---

Dear Friends and Supporters,

On behalf of The King's Daughters, we extend our deepest gratitude to all of you for making the 11th Annual Moonlight Gala an outstanding success. It has been an incredible journey, as co-chairs of this event for over a decade, we can proudly say that it has been a privilege and we are profoundly grateful for your unwavering support throughout these years.

Your presence at the Moonlight Gala illuminates the night and our hearts, as it always does. This event has become a great tradition, a gathering of caring souls with a common purpose – to ensure that CHKD patients receive the best care and most recently, this world class facility - the new mental health hospital, Children's Pavilion, becomes a beacon of hope for children in need.

Year after year, we have witnessed the generosity, dedication, and compassion of this community. Your donations and the funds raised during the gala will be instrumental in bringing dreams to life.

The Moonlight Gala not only serves as a fundraiser but also as a celebration of unity and a reminder that, together, we can create positive change. We are deeply moved by the solidarity and commitment of all our supporters, donors, volunteers, committee members and sponsors. It has been an honor to work alongside so many compassionate individuals who share our dedication to improving the lives of children. You have all played a pivotal role in transforming our vision into a reality.

Together, we have made a significant difference in the lives of children who need it most, with the Children's Pavilion now in operation, we look forward to the positive impact it will have on the lives of countless young ones. Your support has been the cornerstone of this achievement, and we are eternally thankful.

Warm regards,

Lyn Reid, Co-Chair
