KD KUDOS ... CANISTER QUEEN!

Jan Carter has been a member of West Ghent Circle since 1984. Since joining The King's Daughters, she has served on the Board, worked on Holly Festival of Trees and worked on numerous Circle Projects. Her claim-to-fame is the canister project that she manages for West Ghent Circle.

From 1991-2008, West Ghent

Circle alone, has raised over **\$250,000 in canister funds!** Jan attributes their success to a few principles which she openly shares every chance she gets - including be courteous, continually thank the business and be professional.

Jan services canisters in all 7 cities, including Williamsburg and the North Carolina. She has mentored other Circles with canisters, such as North Suffolk Circle who have established a great canister program as well.

Tip - one canister holds \$25.00 worth of pennies!
