

Wish List 2011-2012

Child Life Department

Your generosity in providing donations of gifts and handmade items goes a long way towards brightening a patient's hospital stay. This list contains suggestions for gifts and for other items that are used during a child's hospitalization.

General Guidelines:

- Donations may be delivered to the KD Office during normal business hours. Be sure to complete a "Linens & Gifts Reporting Form" with your donation by listing your donation items (quantity and by item). Credit will be given to Circles in the KD Annual Report for each gift item donated.
- Please do not wrap gifts. You may include a donation of gift bags if you would like.
- If you have any questions regarding donations, please call the Child Life Department at 668-7327.

Toy Safety Guidelines:

- All toys donated should be sturdy. We cannot accept toys made of glass or brittle plastic or that have sharp edges or protrusions. We cannot accept toys with detachable or removal parts which can be swallowed or inhaled by small children.
- All toys should be new. We cannot accept used or old toys or used stuffed animals due to our infection control policies. DVDs and video games in very good condition will be accepted.
- We **cannot** accept any toys and/or gifts that may include **food/candy**, candles, knives, razors, medicines or Latex balloons.
- We cannot accept toys or video games that depict violence in any way. No guns, swords, or fighting figures will be accepted.
- We cannot accept rated "R" movies or rated "M" games.
