Dear Friend of Children's Hospital of The King's Daughters:

The King's Daughters would like to thank you for your support of our on-going fund-raising efforts through our canister donation program. The money we raise through this program enables Children's Hospital of The King's Daughters (CHKD) to continue its policy of providing the best medical care to all children regardless of their parent's ability to pay. Thanks to all our friends throughout Hampton Roads, The King's Daughters' Canister Program raised over \$240,000 to benefit CHKD last fiscal year! Thank you for your continued support of this most important endeavor.

It is through community supporters like you that we can continue to grow and to serve the children of our region.

Sincerely,

Natalie Carducci
