A project of The King's Daughters  
to benefit

 **Children's Hospital  
of The King's Daughters**

**Welcome to the 27th Annual Holly Festival of Trees  
a project of The King's Daughters.**

The King's Daughters is the founding organization of Children's Hospital of The King's Daughters (CHKD). Since 1896, The King's Daughters have worked to ensure quality health care for all children in Hampton Roads.

The volunteers are organized in Circles which are small groups located in communities throughout Hampton Roads. Membership is open to anyone willing to help ensure the future of CHKD. The King's Daughters host many projects throughout the year such as dinners, wine tastings, regattas, birthday parties, shopping nights, the make a scarecrow project and many more. They also provide linens to the patients at the hospital such as booties, caps, bears and blankets.

There are several major projects of The King's Daughters each year: The Holly Festival of Trees, Holly Ball, Tour de Cuisine, and RunWalk for the Kids.

Proceeds from recent King's Daughters projects have funded items and programs such as:

- State-of-the-art Cribs
- Pediatric Transport Unit
- Incubators and Ventilators
- Aquatic Therapy Pool
- Endowment Funds for the Nursing Externship and Child Abuse Programs

On behalf of The King's Daughters, founding organization of Children's Hospital of The King's Daughters (CHKD), thank you for being part of one of the most anticipated fundraising events and highlight of the holiday season in Hampton Roads - the 27th Annual Holly Festival of Trees to benefit CHKD.

The value of outstanding pediatric healthcare is priceless. Proceeds from the 2009 Holly Festival of Trees will help Children's Hospital of The King's Daughters provide care to victims of child abuse as well as children coping with injuries, birth defects, acute illnesses and chronic diseases like diabetes and cancer.

In today's economy, CHKD relies on The King's Daughters more than ever to meet the burgeoning medical needs of the region's children. Thank you for helping The King's Daughters continue the legacy by showing your support to the children of our community by taking part in the 27th Annual Holly Festival of Trees.

We appreciate your participation this year, and we thank you for your continued support of our endeavors as The King's Daughters work to provide superior pediatric care for the children in our community.

Our best,  
The King's Daughters  
Founders of Children's Hospital of  
The King's Daughters
