2015

Dear friend of The King's Daughters,

On behalf of The King's Daughters, the founding organization of Children's Hospital of The King's Daughters (CHKD), we invite you to join us for **Breakfast with Santa: Santa's Celebration** presented by Busch Gardens' Christmas Town! All proceeds from this special family tradition, which will take place on November 14, 2015, at Chesapeake Conference Center, benefit CHKD's important work keeping the children of our region healthy. The morning will include breakfast, a photo with Santa for every child, an interactive train display, live music and entertainment, children's crafts and activities, and a silent auction of decorated trees, gingerbread creations, and special gifts.

We cordially invite you to join us as a sponsor of the 2015 Breakfast with Santa, at one of the levels on the enclosed form. Your support ensures that CHKD is available to every child who needs it services, while providing a memorable holiday experience for the families in our community.

Children's Hospital of The King's Daughters upholds our charitable mission as its founders by offering all of its patients equal access to care that addresses their unique medical, emotional and developmental needs- regardless of any family's ability to pay. CHKD has truly secured a place in the heart of the community and is an eager collaborator with other community organizations and institutions that share its concern for the well-being of young people. Through a variety of education, research and health initiatives, CHKD improves the health of the children of Hampton Roads and beyond.

Promoting pediatric wellness since 1896, The King's Daughters organization has a legendary history of service to CHKD. This legacy lives on because people like you, many of whom have personal ties and experience with this phenomenal institution, share our passion to help the youngest members of our community.

Thank you in advance for your consideration of joining us for the 2015 Breakfast with Santa to benefit CHKD. If you need additional information or have any questions, please do not hesitate to contact us. We will be in contact with you shortly to discuss your possible partnership. With your help, we can continue to strive to advocate for better lives and better health care for all children in our community.

CHKD. One Priority, One Mission and One Focus: CHILDREN

Sincerely,

Natalie Carducci
