Presented by

2015

Dear friend of Children's Hospital of The King's Daughters,

On behalf of The King's Daughters, founding organization of Children's Hospital of The King's Daughters (CHKD), we are very excited to have you join us again this year for **Breakfast with Santa: Santa's Celebration** presented by Busch Gardens Christmas Town! This year's event will take place on Saturday, November 14, 2015, at Chesapeake Conference Center from 10:00a.m.-1:00p.m. and will include breakfast, a photo with Santa for each child, an interactive train display, live music and entertainment, children's crafts and activities, a silent auction of trees and special gift packages, and more!

**We would be honored to have your support and presence at this event. We would greatly appreciate it if you would consider donating an item, gift certificate, or themed package for our silent auction.** Please complete and submit the enclosed Silent Auction Agreement Form and return it to the KD office no later than August 30, 2015.

Children's Hospital of The King's Daughters upholds our charitable mission as its founders by offering all children equal access to care that addresses their unique medical, emotional and developmental needs regardless of any family's ability to pay. CHKD has truly secured a place in the heart of the community and is an eager collaborator with other community organizations and institutions that share its concern for the well-being of young people and offers a variety of education, research and health initiatives to improve the health and well-being of children in this community and beyond.

Serving the children of our community since 1896, The King's Daughters organization has a legendary history of service to CHKD. This legacy lives on because people like you share our passion to help the children of our community; many of whom with personal ties and experience with this phenomenal institution.

If you need additional information or have any questions at all, please do not hesitate to call. Thank you in advance for your consideration and support. With your help, we can continue to strive to advocate for better lives and better health care for all children in our community.

Sincerely,

Natalie Carducci  
Membership Coordinator, The King's Daughters
