2015 DR. DONALD W. LEWIS AWARD

Congratulations-Sarah Bishop! Sarah will be the recipient of the 2015 Dr. Donald W. Lewis Award

In 2013, The King's Daughters established an award to honor Dr. Donald Lewis. Dr. Lewis, who unexpectedly passed away in 2012, was a well-known CHKD neurologist, educator, researcher and outspoken advocate for children's health. The purpose of this award is to recognize someone who, like Dr. Lewis, inspires others and is willing to take whatever action necessary to better the lives of children.

This year, Sarah Bishop has been selected as the recipient of this award. Sarah, a member of Maltese Cross Circle, is a dedicated King's Daughter and advocate for children; she has worked tirelessly for children over the years in and around the community and within CHKD. She is currently a member of the CHKD Child Abuse Board and recently completed 18 years of service on the Children's Health Systems Board. Sarah will be recognized at this year's Moonlight and Mistletoe on December 5, 2015.

Members of the 2015 Dr. Lewis Award Selection Committee congratulate Sarah on her selection as the recipient of the 2015 Dr. Donald W. Lewis Award. (L-R Penny Lewis, Karen Mitchell, Sarah Bishop and Beth Johnson)

Dear King's Daughters:

Thanks to the amazing support of our hundreds of volunteers, we completed another remarkably successful fiscal year. In May, we spent a blissful day with friends at the Tour de Cuisine in East Beach and relished in the beautiful homes within this waterfront community and enjoyed fine food from top local restaurants; special thanks to Presenting Sponsor The International Culinary School at The Art Institute of Virginia Beach. In June, we celebrated the 10th Anniversary of RunWalk for the Kids and enjoyed a morning of walking, running, volunteering and listening to live music. A special thanks to Presenting Sponsors: Marathon Consulting, Wavy TV 10 and Entercom Radio as well all other sponsors. There is literally no way these events could happen without the help of all of our sponsors and volunteers. We are so thankful for your support.

In June, we also celebrated the one year anniversary of the opening of The King's Daughters' Milk Bank. Dr. Michele Brenner, Medical Director, spoke at the June KD Connect meeting touting just how much milk the Milk Bank has received since the first day and has begun selling excess milk to other area hospitals. The donor milk is often a life saver to our NICU patients who cannot utilize or don't have access to their own mother's milk but need the valuable nutrients found in breast milk.

This past fiscal year, The King's Daughters organized 91 circle projects and 4 major projects. Through this benefaction, we are proud to announce we donated \$600,000 to Children's Hospital of The King's Daughters for the fiscal year ending June 30, 2015.

As we enter into the new fiscal year, be on the lookout for information about our new and improved Leader's Orientations featuring breakout sessions that will be more interactive and informative. In addition, you will learn of our efforts to raise funds for a new transport unit. This vehicle costs \$650,000 and is not just a transport unit - it is a lifesaving "hospital on wheels" that allows medical care to begin immediately upon pickup making every critical second count. Finally, we are looking forward to seeing you at the Annual Recognition Celebration on October 6, 2015 - a time when we can offer our humble thanks to the countless hours you put in to support the children of our community.

We look forward to another great year of *Raising funds, friends and awareness for Children's Hospital of The King's Daughters.*

Sincerely,

Beth W. Johnson,

WHAT'S NEWS?

WELCOME CIRCLE IN THE BRANCH!

Circle in the Branch is based out of the Western Branch area of Chesapeake and was formed in March of 2015 by three ladies who share a passion for volunteer work and Children's Hospital of The King's Daughters. Ginny Harrington, Circle Leader and co-founder, worked for The King's Daughters' VP of Circles & Membership, Julie Beck at the time. Knowing Ginny had passion for volunteer work, Julie introduced the idea of forming a Circle to Ginny. The idea blossomed and the Circle started to form. Michelle LoGioco, Assistant Leader and Recording Secretary, and Mary Ellen Baur, Treasurer, also have a passion for CHKD, as their children are patients of Dr. Hoerr. With appreciation of Dr. Hoerr and his work, the hospital overall, and the kindness of staff, these ladies knew they had to get involved and support as a volunteer Circle of The King's Daughters.

These three ladies are on a mission to make a difference, raise funds and support the Children's Hospital of the King's Daughters. Their first event to benefit CHKD was held in May of 2015. The event was the Larry Branch Memorial Golf Tournament and brought in proceeds of over \$14,000! They are looking forward to supporting other Circles, raising additional funds and helping out The King's Daughters wherever needed in the upcoming years.

MAY TYME WITH THE KING'S DAUGHTERS

Approximately 100 people attended Cypress Point Circle's Silent Auction, *Chic Boutique* and Luncheon on May 15 at Westminster Canterbury on the Chesapeake Bay raising almost \$5,000 – Featuring three guest speakers; the first was Lorraine Eaton, The Virginian-Pilot Staff Epicure. Lorraine's topic was "Tidewater Virginia - America's First Foodway", a presentation of the history of food in Colonial times.

Representing The King's Daughters was Eleanor Bradshaw (Margaret Roper Moss Circle) and Chair of the History Committee. Eleanor is currently overseeing the archive process for KD's historical items and artifacts. Eleanor's "Never underestimate the power of women" was a trip down memory lane on the founding of CHKD.

Joy Parker, Director of CHKD Volunteer Services, spoke on the different ways in which volunteers can be of (very valuable) assistance at CHKD. A big thank you to all who attended, the guest speakers and vendors for another successful May Tyme event.

I Chaired an Event Because...

It's an extremely rewarding way to contribute

"CHKD is a necessary, life-saving asset to our children and to our region. Being invited to be a part of The King's Daughters' Moonlight and Mistletoe Gala as a co-chair was a fun-filled, extremely rewarding way to contribute to the cause. The tireless, witty, brilliantly talented, fun people behind this event were a treat to work with and I thank everyone who was able to be a party to this great event. Let's take it up a notch and raise the bar for next year! For the Kids!" -Lynn Reid
