Dear King's Daughters,

The inaugural Moonlight & Mistletoe event was extremely successful. We sold out the event with approximately 500 KD supporters and sponsors in attendance. The venue was exquisite and the view was fantastic! Of course, the best part was the purpose of the event, which was to raise funds for The King's Daughters' Donor Milk Bank at CHKD that is scheduled to open this summer. Thank you to Lyn Reid and Sunny Sonner for co-chairing the event and special thanks to the many volunteers and sponsors who made it all possible.

As we all know, there are many ways to give and support the hospital. We appreciate the devotion of all of our members whether it is making bears, volunteering hours, or organizing a circle or major event. All of these activities support our common goal and mission. Our mission statement is as follows: "The King's Daughters, founding organization of Children's Hospital of The King's Daughters, promotes superior pediatric wellness through dedicated volunteerism in partnership with Children's Health System." As we start a new year, we have over 1,000 members, each with the shared passion for the health and well-being of children. With the passion, dedication and devotion of our membership, we will continue to achieve our mission.

On January 7th, at 10:00am we will have the KD Connect meeting located at CHKD in the 6th floor conference room. We plan to have some guest speakers that will educate us on some of the key focuses of the hospital. We hope to see you there.

Wishing you a healthy and happy new year,

"My son owns two from earlier this year. We cherish them because it brought my son so much joy when they were given to him after lung surgery. Thank you!" -Mari

"Thank you for these gifts!" -Suzanne
