GOOD THINGS ARE HAPPENING WHEN YOU WALK IN THE DOOR AT CHKD

After a year-long redesign and renovation of the hospital entrance, lobby, and first floor walkways, the new CHKD entry area is open and in service. The patient/visitor drop-off is easier to use and more functional for our families with wheelchairs and strollers. The TowneBank Atrium welcomes visitors with a new look, thanks to bright colors and the gorgeous new installation of glass fish inspired by patients and developed by

renowned glass artist Therman Statom with the support of The Chrysler Museum Glass Studio. The underwater theme inspired a central welcome desk shaped like a yellow submarine and a wall of colorful bubbles behind it. Visitors can find registration by following the brightly colored fish on the floor and play in an interactive pond --- a laser floor display of swimming fish, complete with coral and shells that open to show pearls. Adults and children alike enjoy the ceiling mural and colorful photographs on the walls. Thanks to the vision of our founders and the ongoing support of The King's Daughters, CHKD continues to provide the highest level of care for children who need us, in an environment uniquely suited to distract and comfort children. One of only 43 freestanding children's hospitals in the country, we remain dedicated to local community care. CHKD: More than a hospital.

-Stephanie Adler Calliott, Senior Vice President, CHKD

"You find an astounding number of ways to support CHKD " - Jim Dahling, CHKD President/CEO

Dear King's Daughters,

We have just wrapped up our fiscal year which ended June 30, 2014, another great year! Special thanks to our 10th annual Tour de Cuisine Co-chairs, Katie Van Buren and Margo McFarland who organized a great event in Ghent this past May. This year's event raised \$23,000. We are excited that Margo has agreed to co-chair next year's Tour de Cuisine. In June, the RunWalk gave us an opportunity to recognize our superheroes and raise almost \$100,000 for CHKD. On June 17th, we were thrilled to have the Grand Opening of The King's Daughters Milk Bank at CHKD. The money raised by The King's Daughters provided the necessary seed money to jump start the opening of this facility. The donor milk is a great benefit to our youngest and most fragile patients that we are proud to support.

As a result of circle projects that our 49 circles held in the last year along with the major projects – Breakfast with Santa, the inaugural Moonlight & Mistletoe event, Tour de Cuisine and RunWalk for the Kids, we are proud to announce that we hope to donate \$700,000 to the Children's Hospital of The King's Daughters for our annual gift to CHKD fiscal year ending June 30, 2014. Thank you for all you do to help make this wonderful gift possible each year—from collecting and giving change to our many canisters around the community, to sewing bears, to supporting us by volunteering or attending the Major and Circle events. We hope to see you at the Annual Recognition on October 7, 2014 to recognize the incredible commitment of all of our volunteers.

We look forward to another great year of *Raising funds, friends and awareness for Children's Hospital of The King's Daughters.*

alive BECAUSE OF DONOR BREAST MILK

Kay Shields, West Ghent Circle member, is sharing her miraculous story in memory of her mother, Katherine Birsch (Lakewood Circle member). Kay was born 3 months premature, weighing only 2 lbs. (in 1940 this is a miracle story!) The doctor told her parents that her heartbeat was too strong to let her lay there and die. A nurse was hired around the clock to watch over her. Her mother's decision to sit every-day on a gurney at the hospital, watching her daughter in the nursery, and sending her breast milk for her feedings **saved Kay's life**. After 6 months in the hospital, Kay could finally return home.

The true meaning of her story is that Kay would be a candidate for the newly formed Milk Bank today if born in this generation. This is the reason she is so passionate, supportive, and proud that she has been an integral part—as a King's Daughter—in the establishment of The King's Daughters Milk Bank at CHKD and knowing that CHKD has taken this giant step in helping to provide for the survival of premature babies.

CIRCLE PROJECTS

LEARN HOW TO KNIT!

Looking to earn volunteer hours over the summer? Check out this Exciting New Opportunity!

Learn a lifelong skill by learning how to knit! Roz Kline the owner of Baa Baa Sheep has graciously offered to hold a Wednesday morning beginner class for Junior & Adult Circle Members! Cost is \$10.00 & includes material. As a beginner, you would be making baby wash cloths for the hospital. More experienced knitters may advance to baby hats! PLEASE, call if you are interested in participating! **Baa Baa Sheep * 754 W. 22nd St., Norfolk * 757-802-9229**

Joann Klotz joined Lakewood Circle in the early 1970's. She learned about the need for knitted items for the patients at CHKD soon after and thought "I can do that" and she started knitted. To date, Joann has VOLUNTEERED OVER 31,000 HOURS and has produced approximately 8,000 knitted items for the kids at CHKD.
