IN THE NEWS...

The King's Daughters raise funds for Sports Medicine

For the 2016-17 fiscal year, The King's Daughters will be raising funds from major projects for CHKD's Sports Medicine program. See online for more details!

Ribbon Cutting for New NUSS Center

CHKD's new Nuss Center, Home of the Nuss Procedure, was unveiled in a ribbon-cutting ceremony honoring Dr. Donald Nuss, the originator of the most inventive minimally invasive surgical way to correct pectus excavatum.

Anthem LemonAid Stands

Lemonade stands were held all throughout Hampton Roads July 15-17 to support CHKD! Thank you to all members who participated!

PRESIDENT'S CORNER

Dear King's Daughters,

I hope each of you have had a wonderful summer and are rested and energized for a fabulous King's Daughters year. Last year was amazing, with three major projects raising over \$266,000; 80 circle projects; over 48,000 volunteer hours and 14,800 bears and linens. Collectively our efforts raised \$575,000 for the hospital. Each of you should be very proud about your role in making such an impact.

Your board and The King's Daughters staff have been working throughout the summer on various projects including a "revamped" Circle Orientation on August 23rd, new marketing pieces, and a very special Annual Recognition dinner on October 4th at Norfolk Yacht and Country Club filled with lots of surprises.

At this event, we will celebrate 120 years of ensuring quality healthcare is available to all children in this community. I am sure the 5 ladies who formed the first circle in 1896 never dreamed what they started would result in the incredible hospital we have today. What a history we have, from hiring a nurse on a bicycle to starting the first visiting nurse program to running health clinics and ultimately raising the funds to build not one, but two hospitals which we operated for many years. Today we continue that legacy by being CHKD's largest cumulative donor, a leader in donations to the hospital each year and passionate advocates for our community's children's health care needs.

The 2016-2017 year is off to an incredible start, with many circle projects already planned for the Fall. It is certainly true that along with all the hard work in planning and executing events, we still have fun. Please mark your calendars for Breakfast with Santa on November 19th and Moonlight and Mistletoe on December 3rd. Both will be wonderful events raising much needed funds for the Sports Medicine Program.

I look forward to visiting all Circles this fall!

Fondly,

Elly Bradshaw Smith

WELCOME, NEW CIRCLES!

Lynhaven River Circle

Lynhaven River Circle became a Circle of The King's Daughters in March 2016. Located in the King's Grant area of Virginia Beach, Co-founders Katie Petchel & Brandi Garner were interested in creating a group within their neighborhood with like-minded interests and giving back to CHKD. Their first event at Monkee's Virginia Beach at Town Center was a great success! We are so happy to have them join us!

Coastal Junior Circle

Coastal Junior was formed in March 2016. Located in the Western Branch area of Chesapeake, the Circle was founded by Adult leader Kerry Scheiner, a teacher at Joliff Middle school. Circle members attend Chesapeake area schools including Joliff Middle School, Western Branch Middle & High School, Hickory Middle & High School and Grassfield High School. We are thrilled to have them join The King's Daughters!

5 YEARS WITH THE KING'S DAUGHTERS!

Jen Kay, Development Operations Manager of The King's Daughters, celebrated her 5 year anniversary! Jen is a vital asset to our team and she is a joy to work with everyday.

CANISTER CORNER

Kay Shields, Co-Chair of the Canister Signature Project was counting money for the canisters she had picked up with her grandchildren. She asked her grandson, Kaegan, if he had a quarter in his piggy bank to complete a coin roll. He ran upstairs and when giving her the 25 cents, he also counted out \$5.00. In 2003, Kaegan had been a patient at CHKD, when Kay asked why he wanted to donate to CHKD, he said "Grandma, because they help kids". Of course, Kay matched his donation.

Thank you, Kaegan!
