RAISING FUNDS, FRIENDS & AWARENESS FOR CHKD

A LETTER FROM THE PRESIDENT

Dear Fellow King's Daughters,

Since April is "history" month for our organization, I would like to share with you some historical highlights about our Signature Project: Canisters. Below is a portion of an article printed in [The Virginian Pilot](#) in 1967.

"In 1899, The Norfolk City Union of The King's Daughters noted that a milk fund was needed to supply milk for babies in indigent families in the city. From 1901 to 1918 an ice and milk fund campaign was waged during the summers only (without ice the milk would be no value, an early report noted) with support from the local newspapers.

By 1918, \$5,462.42 [over \$90, 700 in 2017 dollars] was collected for the Milk Fund. Milk was only a cent and half a quart that year, but the annual report noted that although the funds collected would seem to be adequate, the price of milk has so increased it is costing us \$545 per month plus paying for the delivery of milk and ice to their milk stations. If we had to buy the ice, our funds would in no way fill the requirements, but this year the Anheuser-Busch Brewery Association supplied us all the ice we required.

That year, 100,400 pounds of ice and 22,086 quarts of milk were distributed. The women of The King's Daughters were kept busy pasteurizing the milk in the kitchen of the York Street Clinic and distributing it to needy families.

But it was in 1919 that a member of the Loving Circle hit upon the idea that through the years has brought thousands of dollars to The King's Daughters through the familiar glass milk bottles placed in business establishments."

Over the years, the design of the canister has changed from a variety of different milk bottles to the large plastic canister we use today. But the change collected continues to help children in our community. If your Circle would like to help with our Signature Project by placing canisters in local businesses, contact the KD office or Kristi Jones, Signature Project Chair at kjones424@cox.net.

Please mark your calendars for our KD Connect meeting on Tuesday, April 4. Our Membership Committee is planning an informative and fun meeting with a presentation about our Cancer Program and one family's journey as well as time to socialize after the meeting.

Thank you for all you do for The King's Daughters and CHKD!

Elly Bradshaw Smith,
President, The King's Daughters

KD CONNECT RE-CAP

We were so grateful to Stephanie and Chris Lyon our guest speakers February 7 for sharing their heartfelt story, and their experience with CHKD ...

After an uneventful delivery, Stephanie and Chris Lyon happily brought their newborn daughter, Laney, home from the hospital. When Laney appeared listless one evening, her concerned parents rushed the 7-day-old infant to CHKD Urgent Care. Doctors immediately knew that little Laney was fighting for her life. Quickly stabilized and transported to CHKD's main hospital in Norfolk, Laney was found to have a serious congenital heart defect requiring life-saving cardiac surgery. Today, little Laney is healthy and strong, and her family is forever thankful for your support of CHKD.

"There is no doubt in my mind. Without CHKD, our baby would not be alive today." says Stephanie.

QUESTIONS?

If you have questions about how to place a canister or would like someone from the Canister Committee to talk to your Circle. Call the KD office.

IMPORTANT

Please note, we may only accept magazines that are 3 months old or less. Please remember to remove personal info (name, address, etc.) and please be mindful that the magazines are “family” appropriate.

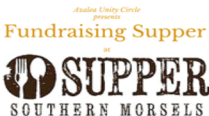

Please send volunteer hours reports to the KD office one time per fiscal year — be sure to track Circle member hours at your monthly meetings but only report ONCE to the KD office with your year-end report.

Please be sure to complete and return to the KD office your Circle member Skills & Interests form. For those of you who have already returned these ...

THANK YOU!
