# MESSAGE FROM THE CO-CHAIRS

---

On behalf of The King's Daughters, we are thrilled that you are here in support of CHKD and ready to celebrate with us our sixth annual Moonlight & Mistletoe! We want to thank the many passionate and tireless volunteers, committee members, and dedicated King's Daughters' staff who so enthusiastically worked to bring you this special evening. Thank you!

Our efforts this evening are important to the entire community - especially to our children. Every day, three to five children come to the CHKD emergency department experiencing a mental health crisis. That number has increased 40 percent in the past four years and is expected to double in the years ahead. CHKD receives another 15 to 20 calls per day for children in need of mental health evaluation or counseling. These children may wait weeks for an appointment.

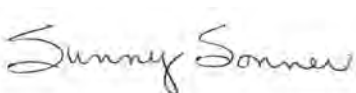

Never in our history has the need for childhood mental health services been greater. Thousands of children are waiting for care. And, the truth is, the kids can't wait.

CHKD is answering this need with plans to build and staff a new mental health hospital and treatment center just for kids. This ambitious undertaking depends on substantial support from the community. The kids need us. So, WE are here to help. The expansion of CHKD's mental health program is the answer our children are waiting for. Thank you for heeding the call and helping to make this happen!

Moonlight & Mistletoe would not be possible without the support of the many businesses, friends and colleagues who so generously and enthusiastically sponsored this evening and have been dedicated sponsors in years past. We welcome our first-time guests and hope you enjoy your evening and spread the word. We have many exciting Silent and Live Auction items, which have been donated by organizations and individuals through the community and beyond. So, we hope you BID OFTEN and BID HIGH! Together we will answer the call!

We are grateful for the opportunity to serve this community of children through our small efforts and are truly grateful for the community that is present here today for making these great strides possible!

Sincerely,

*Sunny Sonner, Co-Chair*

# THE DR. DONALD W. LEWIS ★ AWARD ★

In 2013, The King's Daughters established an award to honor Dr. Donald Lewis, a beloved CHKD pediatric neurologist, educator, researcher and outspoken advocate for children's health, who unexpectedly passed away in 2012. The purpose of this award is to recognize someone who possesses that same sense of optimism and enthusiasm as Dr. Lewis, who inspires others and is willing to take whatever action necessary to better the lives of children.

*The 2018 Dr. Donald W. Lewis Award  
will be presented to:*

**COMMUNITY** | Eleanor "Sugar" Field Bradshaw  
**MEDICAL** | Dr. Donald Nuss  
**CORPORATE** | Edward "Buzz" A. Heidt, Jr.

*For their exemplary efforts toward enhancing  
the lives of children in our community.*

## COMMUNITY

### **Eleanor "Sugar" Field Bradshaw**

Eleanor has been a passionate community volunteer for over 60 years. Her greatest "labor of love" was serving as President of The King's Daughters and leading the effort in the 1970's to raise over \$8 million for the construction of a new Children's Hospital of The King's Daughters. Through the years, she has served on many Boards, chairing community groups and activities from The King's Daughters, EVMS, CHKD, Virginia Opera, Lake Taylor Transitional Care Hospital and the United Way to name a few all for the betterment of children and their families.

## MEDICAL

### **Dr. Donald Nuss**

Don joined CHKD in 1977 and was instrumental in the growth of the surgery program, serving as the hospital's Surgeon-in-Chief and Vice President for Surgical Affairs for 20 years. In 1987, Dr. Nuss

invented a revolutionary surgery to correct pectus excavatum by reshaping the chest wall with a metal bar placed under the sternum. His innovation is now standard practice throughout the world. Don's passion and devotion to his patients, encouragement of others and contributions to the field of pediatric surgery have significantly impacted the lives of countless children and their families.

## CORPORATE

### **Edward “Buzz” A. Heidt, Jr.**

Buzz Heidt is Chairman and CEO of The Penrod Company, a global distributor in the forest, metal, and PVC products industry. Heidt, a lifelong resident of Hampton Roads, has served on or chaired various boards throughout the region, nationally, and internationally. His volunteer efforts include work in global humanitarian and health issues with the American Red Cross, Physicians for Peace, and other global organizations. In addition to serving as Chairman of the Health System Board with the Children's Hospital of The King's Daughters (CHKD), Heidt is currently working with the Mariner's Museum and the American Red Cross where he was recently presented with the Harriman Award, the highest national award for distinguished volunteer service. Buzz is passionate and dedicated to help The King's Daughters and CHKD give hope and care to children in our community suffering from both physical and mental health illnesses.

# ❖ FUND-AN-ITEM ❖

**Please help us help CHKD with a new 60-bed inpatient psychiatric hospital and a continuum of mental health services giving hope for a brighter future for all children**

When The King's Daughters learned that today more children die from suicide than cancer, cardiovascular disease, birth defects, pneumonia, flu and chronic lung disease combined, we knew we must take action. In June, we pledged to raise \$1 million for CHKD to combat this pediatric mental health crisis in our community.
