### MESSAGE FROM THE **CO-CHAIRS**

On behalf of The King's Daughters, we are thrilled that you are here in support of CHKD and ready to celebrate with us our seventh annual Moonlight & Mistletoe with a TWIST! This year we're pulling out all the stops and trying something new — a cocktail party!

Our efforts this evening are important to the entire community - especially to our children. Our children are in crisis; CHKD has embarked on a transformational journey that will substantially increase the availability of quality pediatric mental health services for children in the Hampton Roads area and beyond. Never in our history has the need for mental health services been greater.

This mental health crisis affects 20% of our youth; children are living with and dying from untreated mental health conditions. As Virginia's only freestanding children's hospital, we must act quickly. CHKD has already broken ground on a 60-bed inpatient and outpatient treatment center - and tonight we need your help, because KIDS CAN'T WAIT.

Thank you for your help in support of CHKD Lighting the Way for Mental Health.

Sincerely,

Lyn Reid, Co-Chair

Sunny Sonner, Co-Chair

### DR. DONALD W. LEWIS AWARD

In 2013, The King's Daughters established an award to honor Dr. Donald Lewis, a beloved CHKD pediatric neurologist, educator, researcher and outspoken advocate for children's health, who unexpectedly passed away in 2012. The purpose of this award is to recognize someone who possesses that same sense of optimism and enthusiasm as Dr. Lewis, who inspires others and is willing to take whatever action necessary to better the lives of children.

### THE 2019 DR. DONALD W. LEWIS AWARD

- is presented to -

# DR. WILLIAM & MRS. SANDRA WARDEN

For their exemplary efforts toward enhancing the lives of children in our community.

### 2019 DR. DONALD LEWIS AWARD RECIPIENTS

### Dr. William & Mrs. Sandra Warden

Dr. and Mrs. Warden have been staunch supporters of The King's Daughters and CHKD for over 20 years through the Warden Family Foundation. They believe CHKD is transformative for the children of our region because of its expansive services, expert staff, and passionate volunteers.

Dr. Warden's close connection to CHKD began in 1965. As an intern and resident at Norfolk General Hospital, he completed his pediatrics rotation at CHKD, going on to practice family medicine in Virginia Beach for nearly 40 years. He also served as an army battalion surgeon and clearing company commander during the Vietnam War, receiving a Purple Heart and Bronze Star for Valor. During his initial post, he was the only physician trained in pediatrics.

Mrs. Warden has supported CHKD's Child Abuse Program from the beginning. In 1998, she established one of the first endowments for the program and has since also supported the important three-year child abuse fellowship at the Center. She is a former board chair of the program's advisory board and still serves on this board to raise awareness and funding for CHKD's comprehensive child advocacy center.

In addition to their unwavering support of The King's Daughters for CHKD, Dr. and Mrs. Warden volunteer with The Beach Clinic, CASA, Equi-Kids, Bayside Presbyterian Church, and the Virginia Beach Medical Society Alliance.
