

Children's Hospital of The King's Daughters

September 15, 2020

Dear The King's Daughters,

Thank you for your continued support of CHKD's child life program. Your gifts have brought smiles of joy to the faces of many children hospitalized during the holidays, and we are ever-grateful.

Given the current COVID-19 crisis and potential spikes in the upcoming months, we will continue to accept community donations safely while limiting exposure to our patients, families, and staff. In an effort to protect our children and families, we are not accepting in-person donations this holiday season and have opted to alter our donation guidelines to ensure a safe and healthy holiday for our kids.

We are asking those who wish to contribute toys and other items to do this through the Wal-Mart Registry For Good or our Amazon Smile Charity Wish List. We will ensure that these online purchases are used to enhance the excitement and spirit of the season for our patients, while keeping them as safe as possible.

To shop the Wal-Mart Registry For Good, visit Walmart.com/RegistryForGood and look for CHKD's child life approved list. To purchase gifts through our Amazon Charity Wish List, login to your Amazon Smile account and designate Children's Hospital of The King's Daughters as your charity of choice.

Please be advised that all gifts purchased online come to us anonymously. Therefore, we encourage you to send us your name and order details by email to Gifts@CHKD.org, so we can acknowledge your thoughtfulness. Wal-Mart or Amazon gift cards plus straight donations are also a great gift and can be sent to the address below.

We are extremely thankful for your kindness and generosity – even if it is from afar. Thanks to you, our child life team is able to make the holiday season extra special for children and families who don't have the option of celebrating at home. You are truly having an impact on the miracles that happen daily within our walls.

Most Sincerely,

Shannon Hood, CTRS, CCLS
