## MESSAGE FROM THE CO-CHAIRS

We are so thrilled to welcome you to this the 10th annual (Sold Out) Moonlight Gala at the historic Cavalier Hotel. After surveys and input from many of you, we made the decision to proceed with this event tonight (even though we held our best ever Moonlight Gala less than 8 months ago!) in an effort to get us back on track with our historical December date. We also learned from many of you that you were looking forward to once again attending this event at the Cavalier Hotel – so here we are!

All funds raised tonight will go toward CHKD's new mental health hospital, Children's Pavilion, now open and already giving hope to so many children. This facility will stand out among the nation's top pediatric mental health hospitals and will feature:

- 60 private rooms with space for a parent to spend the night
- Art, music, movement and integrated therapies to nurture young minds
- Family involvement and family participation in treatment
- Exercise, unstructured play and safe access to fresh air and sunshine

Our efforts this evening are critical in helping CHKD make an important investment in our children's mental health, as we support this profound need in our region working with you and our entire community, to light the way for better mental health for all children.

So please, have fun, bid often and bid high!

We appreciate you greatly, thank you for all that you do for The King's Daughters in support of CHKD.

Sincerely,

Lyn Reid, Co-Chair Sunny
