Mission Statement

To provide support to Children's Hospital of The King's Daughters through fundraising, volunteerism, leadership and advocacy for the children of southeastern Virginia and northeastern North Carolina.

Message from the President

Dear King's Daughters, Friends, Supporters, and Volunteers,

As President of The King's Daughters, I am privileged to present our Annual Report for 2023-2024. This year has been one of incredible growth, generosity, and community spirit. Together, we have achieved remarkable success in our fundraising efforts, and I am deeply grateful to each of you who played a part in this journey.

Through your unwavering support, we were able to give one of our largest gifts of \$700,000 to CHKD this year. \$500,000 of these funds have been distributed into a newly created endowment supporting CHKD's mental health hospital, Children's Pavilion which will provide essential services in supporting the well-being of patients in perpetuity. This is a testament to our collective strength and the significant impact we make as an organization.

The success of our fundraising initiatives is a testament to the compassion and dedication of our membership and community at large. From Circle events and projects to Major events and projects, each effort has made a significant difference.

As King's Daughters, you are the heartbeat of our organization. Your contributions, whether it's your time at events or direct support to patients, have been invaluable. Your selflessness and commitment inspire us all, and we simply could not have accomplished so much without you. Your dedication exemplifies the spirit of our organization and is the reason for our success.

Reflecting on our successes, we also look forward with renewed enthusiasm for the year ahead. There are still many challenges to face as we strive to continue to grow our organization and spread our message of Raising Friends, Funds, and Awareness for CHKD. I am confident that with your continued support, we will rise to meet them. Your energy, compassion, and tireless work are contagious and have made a lasting impact on the lives of those we serve. I trust in your commitment and know that together, we will continue to make a difference in our community, one child at a time.

Once again, thank you for your generosity, time, and talents, but most importantly, for your continued commitment to The King's Daughters in support of our hospital, CHKD. I am honored to lead such a dedicated and compassionate group of individuals. Here's to another year of making miracles happen!

With heartfelt gratitude,

A handwritten signature in black ink that reads "Nicole Legum".

Nicole Legum,
*President, The King's Daughters

Year in Review

2021 2022

2023 2024

128 years ago, The King's Daughters began their journey providing health care services for children. Today, The King's Daughters has grown from a humble beginning, to opening Children's Hospital of The King's Daughter's, to raising much needed funds for a new mental health hospital and beyond.

OUR KD COMMUNITY

The King's Daughters continue to focus their attention and energy on supporting CHKD in our efforts to provide superior health care for children in our community. Through volunteer hours in excess of 32,000 and extreme dedication, we would like to extend our heartfelt gratitude to our incredible members for their unwavering dedication and countless hours of volunteering their time and talents throughout the year. Your tireless efforts in fundraising for our Children's Hospital of The King's Daughters has and continues to make a significant impact on the lives of so many children and families.

Thanks to your commitment, generosity and creativity, we are able to provide vital care and support to those who need it most. Our circles truly are the heart of our organization!

"The King's Daughters fulfilled our second pledge with a final payment to CHKD for a total of \$3 million toward CHKD's Mental Health Hospital. AND, recognizing the need to continue to support this vital program and new facility, this fiscal year,

I am thrilled to announce, that June 30, 2024, through your unwavering support, we were able to give one of our largest gifts of **\$700,000** to CHKD this year. **\$500,000** of these funds have been distributed into a newly created endowment supporting CHKD's mental health hospital, Children's Pavilion which will provide essential services in supporting the well-being of patients in perpetuity. DID YOU KNOW

The King's Daughters established two endowment funds: \$500,000 to establish a permanent endowed fund in May 2002. The purpose of this fund was (and continues to be) to support CHKD's Child Advocacy Center (70%) and Nursing Externships (30%). In August 2005, The King's Daughters established a \$1 million endowment fund to support CHKD's Child Advocacy Center (70%) and Nursing Externships (30%).

The annual spendable income generated from these endowments is utilized for these purposes, ensuring ongoing support. Individuals, corporations, foundations, or Circles can contribute to this fund anytime.
