HAPPY HOLIDAYS! FROM PAUL & BRENDA SHARP

MESSAGE FROM THE CO-CHAIRS

Dear Friends and Supporters,

On behalf of The King's Daughters, we want to extend our heartfelt thanks to you all for joining us at this year's 12th annual Moonlight Gala. Your presence and generosity make this evening not only a great success but also a memorable celebration of community spirit and compassion.

Thanks to your contributions this evening, we will raise critical funds that will directly benefit the children and families served by Children's Hospital of The King's Daughters. Every dollar will help provide specialized medical care, innovative treatments, and the supportive programs that make such a profound difference in the lives of young patients and their families. Not to mention, supporting our newest initiative, an endowment fund to CHKD's new mental health hospital, Children's Pavilion.

Your commitment to this cause is inspiring, and your generosity is a testament to the incredible power of community in helping children heal and thrive. The Moonlight Gala would not be possible without you, as our guests, sponsors, volunteers, and donors. We're honored to have supporters like you standing alongside us, and we're immensely grateful for the impact your kindness will bring to the lives of so many.

Please accept our deepest gratitude for your support, bid high and bid often, enjoy the many surprises we have for you this evening among great friends; together we'll make this 12th annual Moonlight Gala as Co-Chairs, our best year ever! Thank you, as we continue this meaningful journey together, we look forward to your company tonight and seeing you at future events.

With gratitude,

Lyn Reid, Co-Chair

RHONDA CORLEY

Live Event Fashion Illustrator

Rhonda will personalize an original one-of-a-kind live illustration fashion sketch right here at our Moonlight Gala!

Live illustration involves creating artwork on the spot, often capturing the essence of the event and its attendees. Guests can watch the creative process unfold and take home a custom piece of art as a keepsake.

Sketches are made from a photo (taken event night) of individuals or couples, on high-quality 8x10 paper, mounted and wrapped in cellophane sleeve. A perfect keepsake from our event.

Rhonda Corley, a native of New Orleans, is a multi-talented artist who has a passion for illustrating fashion. Rhonda creates with chaotically controlled lines, vibrant colors, and graceful imagery. She prefers the versatility of acrylic and likes the qualities of bright colors as they highlight a sketch that began in circular patterns drawn outside the lines.

Whether you're hosting a corporate gala, a product launch, or a wedding, Rhonda's live illustrations will provide a memorable experience for your guests!
