MISSION

The King's Daughters' mission is to provide support to Children's Hospital of The King's Daughters through fundraising, volunteerism, leadership and advocacy for the children of Southeastern Virginia and Northeastern North Carolina.

For 130 years, The King's Daughters have been privileged to serve children and families through our unwavering commitment to Children's Hospital of The King's Daughters.

Thank you to our members, volunteers, donors, and community partners together, we continue our mission with heart, purpose, and tradition.

MESSAGE FROM THE PRESIDENT

Dear Members of The King's Daughters, Community Partners, and Friends,

Having recently completed my first year serving as President of The King's Daughters, my heart is filled with gratitude. It has been an extraordinary privilege to lead an organization whose legacy has transformed the lives of children for 130 years. This milestone is far more than an anniversary—it is a celebration of generations of compassionate members and community partners whose dedication has built something truly remarkable. As the founding organization of Children's Hospital of The King's Daughters, we have spent 130 years turning kindness into hope and generosity into healing.

For me, this mission is deeply personal.

Long before I had the honor of serving as President, CHKD cared for my family. As a toddler, my sister received lifesaving surgery at CHKD, and that experience forever shaped our family's appreciation for this extraordinary hospital and the people who make it possible. Supporting CHKD has become part of our family's story. My mother, sister, aunts, and I have each found purpose through our King's Daughters Circles, continuing a tradition that began generations ago. Even more humbling is knowing that my great-grandmother once served as President of The King's Daughters in 1953. To follow in her footsteps decades later is an honor beyond words and a reminder that the work we do today becomes the legacy we leave for tomorrow.

This year, I have witnessed firsthand the remarkable generosity, creativity, and unwavering commitment of our Circle Members, staff, volunteers, donors, sponsors, and community partners. Because of your dedication, we continue raising Funds, Friends, and Awareness for CHKD.

Whether you organized a Circle Project, attended a Circle event, volunteered at one of our Major Projects, supported our Thrift Stores, ran or walked in our RunWalk for the Kids, sponsored an event, or simply shared our mission with others, you made a meaningful difference. Every hour volunteered, every dollar raised, and every conversation about our mission helps ensure that CHKD can continue providing exceptional care for children and families when they need it most.

Together, your efforts resulted in an incredible \$755,000 annual gift to Children's Hospital of The King's Daughters. That gift represents far more than a dollar amount—it represents compassion, sacrifice, teamwork, and thousands of individual acts of generosity united by one common purpose: caring for children.

As we celebrate 130 years of service, we also recognize that our greatest opportunity lies ahead.

The future of The King's Daughters depends on each of us inviting others to become part of this remarkable organization. Every new member strengthens our ability to serve CHKD and ensures that our legacy continues for generations to come. More members mean more volunteers, more ideas, more advocates, more resources, and ultimately, greater support for the children and families who depend on this extraordinary hospital.

I encourage each of you to share your passion for our mission with a friend, a neighbor, a coworker, or a family member. Invite someone to attend a Circle meeting, volunteer at an event, or simply learn about the incredible impact The King's Daughters has made for the past 130 years. Every new member becomes another heart committed to changing the lives of children.

Thank you to our Circle Members, our dedicated volunteers, our generous sponsors, and our valued community partners for your steadfast support throughout this historic year. Your belief in us inspires me every day, and I am profoundly grateful for the opportunity to serve alongside each of you.

As I begin my second year as President, I look forward with great optimism. Together, we will continue to build upon the remarkable foundation established over the past 130 years, growing our membership, expanding our impact, and ensuring that Children's Hospital of The King's Daughters continues to receive the support it needs to provide exceptional care for every child who walks through its doors.

Thank you for your trust, your generosity, and your unwavering commitment. Together, we honor our past, embrace our present, and build an even brighter future for the children of our community.

With sincere gratitude,

Taylor Priest

YEAR IN REVIEW

130 years ago, a small group of women had a vision: that no child should face illness without hope, compassion and care. That vision became The King's Daughters—and ultimately, Children's Hospital of The King's Daughters. What began with a few determined women has grown into a 130-year legacy of changing children's lives.

Today, we celebrate not only where we began, but how far we have come—and the extraordinary difference our members, circles, volunteers, donors and sponsors continue to make.

This past year was one to celebrate. On June 30, 2026, through the incredible generosity and steadfast support of our members and sponsors, we proudly presented CHKD with a \$755,000 gift to CHKD's Cancer & Blood Disorders Center.

But our founders never intended for their work to simply be remembered. They intended for it to continue. And so, we move forward—raising funds, friends and awareness for CHKD. We are creating new opportunities to raise vital funds, building new relationships and welcoming new friends to our mission. We continue to educate our members and our community about the ever-changing needs of CHKD and the children it serves.

130 years ago, they started something extraordinary. Today, we are carrying it forward.

Tomorrow, we will make it even stronger.

The King's Daughters remain what our founders envisioned—a passionate, committed force for children and one of CHKD's greatest advocates.

LINENS & GIFTS

Made with Love. Given with Heart.

For generations, King's Daughters members have shared their time, talent, and love by creating handmade linens and gifts that bring comfort, encouragement, and a little joy to children at CHKD. Each item is more than a gift—it's a reminder to every child and family that their community is thinking of them.

This year, members lovingly created Developmental Hearts, Tooth Fairy Pillows, Journal Bags, and our beloved Surgery Bears. An incredible **8,620 Surgery Bears** were handmade by King's Daughters members this year. Given to every child undergoing surgery, these special bears offer a comforting companion and a brighter moment during what can be an uncertain and difficult day.

Handmade with love. Given with purpose. Making a difference, one child at a time.

SIGNATURE PROJECT – CANISTERS & KROGER REWARDS

A Tradition of Giving, One Coin at a Time

In 1906, The King's Daughters launched our first community-wide fundraising initiative to provide milk for babies in need. Members placed canisters throughout local businesses, inviting the community to give what they could. More than a century later, that simple idea lives on. Today, canisters remain in businesses throughout our community—and in every CHKD Thrift Store—where small change continues to make a big difference for children. What began with a few coins and a caring community has become a 120-year tradition of generosity.

The King's Daughters Signature Project raised an incredible **\$223,655.83**

CHKD Thrift Store Canisters - \$216,316

KD Circle Canisters - \$6,941.52

KROGER REWARDS - \$397.42

One of the ways in which Kroger gives back is through the Kroger Community Rewards program. This program makes fundraising easy, The King's Daughters (as one of their designated charities) benefits, based on the shopping you do every day.
